LITTLETOWN

CELEBRATING 50 YEARS

PRINCIPAL: MR DAVID PERKINS

Friday 3rd May 2024

Dear Parents and Carers,

I write to you as we are mid way through our filming day here at Littletown. It has been fantastic to move around the school and capture all the wonderful things that happen at Littletown whilst seeing the children enjoying being a part of the filming. I have no idea how we are going to edit all of the wonderful footage into a three minute film! A huge well done to all the children and staff filmed, our Year 5 'runners' and our wonderful Year 5 and 6 narrators. My thanks also to Mrs Hawkins and Mrs Heywood for organising and directing the film and thank you for supporting this process by giving filming consent. I look forward to sharing the final edit with you in the near future.

This week the children have all watched important assemblies by the NSPCC about staying safe. On Wednesday, Year 1 had their trip to Tiverton museum. The children had a fantastic time and behaved really well. My thanks to all the parents and carers who accompanied the children.

Next week, we have no school on Monday due to the Bank Holiday. On Tuesday and Thursday 2CL/DB and 2AL respectively visit Seaton Wetlands. On Thursday, Year 5 have their outdoor classroom. On Friday, some of our Year 3 and 4 children will take part in the Honiton Learning Community Quad kids event at Honiton Community College.

Yours faithfully

David Perkins
Principal

Children's news

Nursery- In nursery, we have been baking bread (really yummy and tasty) and making fish tanks out of paper plates!

Reception- In reception, we have been making camouflage chameleons which sounds pretty fun!

Year 1- In Year 1, we have been learning about queen victoria in history and we also learnt about victorian schools.

Year 2- In year 2, we have been learning to write poems about growing up and have been doing safari yoga poses.

Year 3- In year 3, we have been learning about money in maths and ancient Rome in history

Year 4- in year 4, we have been learning about electricity in science and possessive apostrophes

Year 5- In year 5, we have been learning about geometry in maths and we also started learning about the minoans and made a whole class slide show about it

Year 6- In year 6, we have been learning a new unit in maths about geometry and in art we have been drawing different insects (fun) .

OPAL playleader vacancy

We have a vacancy for a Lunchtime Playworker/Mealtime Assistant to help lead our Opal Play 12.00 – 1.15pm. – 6.25 hours per week, term time only rate of pay £11.60 per hour. If you are interested or know anyone who may be please contact admin@littletown.devon.sch.uk
