Friday 3rd July 2026

Dear Parents and Carers,

We have had a busy week this week. It started on Monday with Year 1 having their outdoor classroom where they explored the new mud kitchen. We were also pleased to welcome Beer Primary School for a football fixture after school. A busy week of swimming with Year 6 having their session on Tuesday then lots of our children representing the school yesterday in the East Devon swimming gala finals. The children swam and behaved brilliantly. On Wednesday, Year 2 had their visit to Exeter Mosque. My thanks to the parents who accompanied the children without whom these visits would not be possible. Thanks also to the parents who have contacted me to state what a good and important trip this was for Year 2 children. Yesterday, we took three Year 5 teams of children to a Honiton Learning Community competitive Maths event at Honiton Community College. Out of nine teams our teams came 1st, 2nd and 3rd!

My thanks to Mrs Snowdon and the Eco Team on Monday after school who created bug hotels in our outdoor classroom area.

Lots of children have visited our book fair today and have begun their wish lists! Please see details below of how you can visit next week.

Thank you for all of the cake donations for our cake sale yesterday.

On Monday I was pleased to be able to complete with our Year 6 children the Children's Commissioner's big survey. If you would like to complete this with your children please use this link:

Next week we give our best wishes to the majority of our Year 6 children who will spend the week at Honiton Community College. On Tuesday morning we will be supporting Honiton Town Youth Football Club allowing children to attend the planning hearing for their new ground at Blackdown House. Also on Tuesday, lots of children will be representing the school at the Honiton Learning Community Games at the Community College.

On Wednesday, we look forward to welcoming you to the last open classrooms of the year from 3:40 - 5:30. If coming after school please make the usual never ending snake on the playground starting at the bottom of the steps and as soon as we know all children are collected and where they are supposed to be I will open the blue doors. We also look forward to welcoming all the parents of our new starters in Nursery and Reception to meetings in the hall.

On Thursday the children will move to their new classes. As explained in the letter last week, children will begin and end the day with their current teachers to support the children fully. We will have a short assembly at the start of the day to reassure and excite the children and a short assembly at the end to celebrate the successes of the day.

On Friday we will have a non uniform day for Jolly Jar donations as we prepare for the PTFA Summer Fayre next Saturday, please see the attached information. The PTFA are still looking for volunteers so please contact them to help if you can.

Yours faithfully

David Perkins

Principal
