Friday 19th September 2025

Dear Parents and Carers,

It was fantastic to see so many children proudly show their parents and carers their classrooms yesterday after school. Thank you to everyone who attended. Today in assembly we introduced the news reporters to the children and we discussed dangers of fake news and facts versus opinions which lead to rumour and gossip.

Next week we will hold our Parent Consultation phone calls on Tuesday, Wednesday and Thursday. You will have received information outlining which teachers are calling which surnames on which evenings! Please ensure you have completed the google form with the updated number you would like the teachers to call. On Friday, we will wear pink and purple and bring in donations to support Charcot Marie Tooth UK. This is something we do at Littletown every September in support of one of our pupils living with this rare condition.

Please find below information on this term's school run challenge. My thanks to Vicky for once again running this.

We have vacancies in the school currently in our cleaning team, our lunchtime play team and meal time assistant team. Please get in touch with the school office if you would be interested in more information about these roles and pass on to anybody you know who might be interested.

Yours faithfully

David Perkins
Principal

Children's news

I can now introduce you to our children's news reporters and editors for this term. They are:

Reporters: Violet, Zora, Oaklee, Riley, Finley, Samuel, Lexiee, Scarlett

Editors: Jaxon, Scarlett, Sophie, Emilia

Nursery

This week the Nursery has been baking ginger bread-men.

Reception

Reception students are still getting to know new friends all in their classes together. They have been exploring their classroom and their resources in the classroom.

Year 1

Year 1 has been counting 1 more in Maths, designing animal shelters in DT and learning chatty forms in phonics. They have done new yoga poses from the wild west in PE.

Year 2

This week Year 2 have been learning the human life cycle in Science and maps and keys in Geography.

Year 3

In Year 3, the children have been writing riddles and in PE they are dribbling basketballs and also learning about bad foods for you. They have also been learning interesting verbs about animals and also how to use a dictionary.

Year 4

This week Year 4 have been learning about the Saxon invasion. And in PE they have been doing Tag Rugby as well.

Year 5

We are enjoying our books, Goodnight Stories for Rebel Girls and Queen of the Falls. In Maths we have done place value.

Year 6

In year 6 they have been learning about world war I and life in a trench in History. In Art they have been doing abstraction by color and in RE they are learning about Jewish beliefs .
