

## Live • Love • Learn - Littletown

Friday 19th June 2026

Dear Parents and Carers,

I would like to start by thanking all of you who attended our sports days this week. It was amazing to see so many of you come along and make it very special for the children. I was so impressed with the children, both on the track and while waiting on the mats. Thank you to parents who have given feedback on the sports days this year. I would be interested in parent's views about an idea we are considering for next year. This would be the idea of running all four of our sports day sessions in one day with Foundation stage starting and then Year 5/6 finishing off the afternoon keeping the content and the length the same as usual for each one.

Also this week, on Tuesday morning, Y2 represented the school at the Dartmoor 3 ball, where they performed brilliantly.

This afternoon children enjoyed a showcase assembly from RockySteady music featuring band instruments. Children have all come home with a letter today explaining how on Thursday afternoons in September group music lessons around band instruments will be available for parents to sign up to. This is an exciting element I am pleased to add to Littletown next year and represents an addition to our existing peripatetic music lessons on offer and allow musical lessons at a more affordable price.

Next week 5JF have their bikeability. On Tuesday we welcome Tempest photography for class photos. On Thursday afternoon 6CB have a food technology workshop and after school we will have a cake sale to support school wellbeing, OPAL and lego leaders.

Yours faithfully

David Perkins

Principal

### Children's news

**Nursery** made fruit smoothies! Also they have been playing with their new water wall.

**Reception** They made 3d octopuses and they learnt 15 facts about octopus! They also did their sports day on Monday.

**Year 1** In Year 1, they have been doing world cup training in P.E. In addition to that, they are reading Not Now Bernard in Literacy.

**Year 2** In Year 2, they have been learning land safety in P.E.

**Year 3** They are learning about how babies grow, and in History they are learning about Boudica.

**Year 4** In sports day they got soaked and in Maths they are learning about data.

**Year 5** Using boom whackers in music and started a new book called radiant child in Literacy.

**Year 6** Making Father's day cards and rehearsing for their end of year play.  
They have started a book called skychasers.

### Wonderful Writing of the Week

#### Well done to this week's wonderful writers:

Rowan in Y2 for his amazing punctuation

Greg in Y4 for his excellent ideas

Tilly in Y6 for her unsupported free write

### Parent emails

Since taking class emails away, we have had a small number of parents emailing teachers directly. Please remember that in order to ensure emails are directed to the correct place to be dealt with promptly, you should send them to either Mr Perkins, Miss Prince or admin. They will then be forwarded to teachers as appropriate.

### Cake Sale

The OPAL Leaders/Lego Leaders and Mental Wellbeing Ambassadors are all joining together to raise some much needed funds by holding a cake sale on Thursday 25th June on the front playground from 3.30pm. Any donations of cakes will be gratefully received and can be brought into school on the morning of the cake sale.

### Honiton Town Council Colouring Competition

Year 2 and Year 3 from Honiton Primary and Littletown Academy were invited to enter a colouring competition by Honiton Town Council as part of their Yellow Day Event being held this weekend. The drawings will be displayed on the Post Office/ TG Jones window on Honiton High Street on Saturday 20<sup>th</sup> June. The mayor will be choosing a "winner" from each school after the event. Thank you to all those children who entered.

# MELTDOWNS & SHUTDOWNS

## Skills Workshop with Parental Minds

Online, Zoom

22nd June 2026  
7.15pm - 8.45pm

**Register for your spot at:**

<https://bit.ly/PMSWMeltdownsJune26>

This online support hub is focused on how to support our loved ones and ourselves during the event of a meltdown or shutdown.

We'll cover:

- What meltdowns and shutdowns are
- How stress responses affect the body
- How to avoid walking on eggshells
- How to recognise and prevent burnout
- Co-regulation strategies

Together, we will explore practical approaches and tools that can help make challenging moments easier to navigate.
