Friday 9th October 2026

Dear Parents and Carers,

It has been great to see everyone in their yellow today to end our first wellbeing week of the year. Thank you for your donations of £295.55 which will go towards Young Minds. I know many have used the link to donate online too, thank you. This is an amazing amount raised for this worthwhile charity. This afternoon Mrs Davis and I escorted our judge, Kate from OPAL to judge our class caterpillar competition! The winners will be announced next week. Photos will be shared on facebook!

Also this week, on Tuesday, Year 6 had their trip to Tiverton museum to experience the World War 2 exhibition. Also on Tuesday, some of our Year 3 children visited Honiton Community College for a Gymnastics workshop. My thanks to parents who assisted with these visits.

This afternoon we have welcomed the team from OPAL to assess the school and our OPAL provision at lunchtimes. My thanks to Mrs Davis and the Play Team and to our group of Play Leaders from KS2.

Next week, on Tuesday, some of our children will take part in the Honiton Learning Community Netball tournament at Honiton Primary School. On Thursday, Year 1 will have their outdoor classroom. Year 6 parents are invited to a Pixies Holt residential meeting on Wednesday at 5pm in Year 6 classrooms.

Finally, my thanks to the PTFA for putting on our first disco of the year tonight, as part of Hello Yellow Day.

Yours faithfully

David Perkins

Principal

Children's news

Nursery: We have been learning how to sort objects by colour and size. We have also learnt how to draw a train.

Reception: In Reception we have built our town Honiton and learnt about more and less in Maths. We have been talking about being happy and sad and practiced ball skills in P.E.

Year 1: In year 1 we have talked about emotions. We played a good luck game in R.E and learnt the names of the 7 continents.

Year 2: In year 2 we learnt how to be hygienic. We used bubble wrap to print in Art and learnt how to be safe online.

Year 3: In computing we have been typing about our favourite animals. In RE we have been making clay lanterns.

Year 4: In PE we have been learning about how to pass in tag rugby. In French we've been learning about how to say our favourite fruits in French. In maths we have been learning about column addition.

Year 5: In yoga we have been doing strength poses. In science we have been making parachutes. In literacy we have finished the queen of the falls book.

Wonderful Writing of the Week

Well done to this week's wonderful writers of the week!

Noah in Year 1 for his great 'wanted' poster.

Megan in Year 4 for her excellent fronted adverbials and expanded noun phrases

Ollie in Year 6 for his brilliant letter writing.

Office chair wanted!

If anyone is having a clear out and has an unwanted office chair (which spins and moves on wheels) that they no longer need, we'd be very glad to give it a happy home in school to replace some that need replacing.

Not Now, Bernard plays The Gateway Theatre on Saturday 17 October at 1pm & 4pm. Children tickets £10, Adults £12.50.
