Friday 16th May 2025

Dear Parents and Carers,

I would like to start by saying a huge well done to our Year 6 children for being so amazing in their SATS throughout this week. They have shown a wonderful attitude, embraced the challenge and shown great effort and focus throughout. The whole school cheered them as they stood up in assembly this afternoon. Year 6 now turn their focus to their Dartmoor residential and the end of school production which are both equally as important! My thanks to the Year 6 staff for supporting the children, the PTFA for subsidising their 'SATS breakfast' and to Cath in the kitchen for coming in early to cook for them.

Also this week, Year 2 enjoyed their trip to Seaton wetlands on Monday and Tuesday where they had a great day and behaved brilliantly. My thanks to all the parents who gave up their time to accompany the children without whom, trips cannot take place. On Tuesday some of our Year 5 children continued their swimming lessons and on Wednesday, 5JF visited Honiton Community College for a Food Technology session (right in the middle of their Ofsted inspection!).

Next week we have our final wellbeing week of the school year. Please find full details below which were shared with the children by the Wellbeing Ambassadors in assembly this afternoon. Also next week, on Tuesday, some Year 5 children have their final swimming session of the year, some Y6 children travel to Honiton Primary School for a Rounders tournament and some of our Year 3 and 4 children take part in a quad kids event at Honiton Community College. On Wednesday, 5GW/GA visit the Community College for their Food Technology session and six Year 4 children will accompany me to the Honiton Learning Community Youth Speak event at Awliscombe. On Thursday, Year 6 have their celebration trip to Crealy. Year 2 have their outdoor classrooms next week with 2CL/DB on Thursday and 2AL on Friday.

Yours faithfully

David Perkins  
Principal

## **Children's news**

### **Nursery**

In Nursery they have been drawing and labeling maps of farms.

### **Reception**

In Reception they have been making information books about animals. They have made parrots and used split pins to make their wings move.

### **Year 1**

In Year 1 they learnt about relay races, learnt about James Rizzi in Art and fake buildings.

### **Year 2**

In Year 2 they have been learning about mechanisms in DT and in PSHE they have been learning about secrets. They visited Seaton wetlands and in Maths they have been telling the time.

### **Year 3**

In Year 3 they have been learning about time in Maths and in French they have been learning rooms.

### **Year 4**

In Year 4 we have been using Maths infinity and we have been making electric circuits. We have also been learning about Islamic stars and Sumerian inventions.

### **Year 5**

In Year 5 we have been making Greek slides and translating shapes.

### **Year 6**

In Year 6 they are finishing SATS and they will soon be going to Crealy.

## **Mental Wellbeing**

We will be holding our final Mental Wellbeing Week next week!

The Wellbeing Ambassadors have organised a week's worth of activities for the children to do whilst at school with a different wellbeing theme. For 'Take a Break Friday' they are organising a pyjama day and cake sale. To take part children and staff are able to wear pyjamas/non-uniform to school for a donation of 50p per child/£1 per family or cakes to sell after school. All the proceeds will go to our local charity Parental Minds which helps support local families.

The cake sale will be held on the front playground on Friday from 3.30pm. Please remember if you are able to donate cakes we are a nut free school and they can be brought into school on Friday morning.

### Walking to school

This afternoon we were pleased to welcome Vicky into school to give out certificates to nearly 50 children who have walked to school more since January. Vicky and I presented a range of bronze, silver and gold certificates to children from Nursery to Year 6. My thanks to Vicky for this excellent initiative. Look out for details of the next one after half term!

### Week Beginning 19th May 2025 events

Monday 19th May	Tuesday 20th May	Wednesday 21st May	Thursday 22nd May	Friday 23rd May
	Year 5 swimming	Y4 Youth Speak	2CL/DB outdoor classroom	Pyjama day and cake sale
Nursery outdoor classroom	Y3/4 quad kids HCC	Nursery stay and play 2:30 - 3:30	Year 6 Crealy trip	2AL outdoor classroom
		5GW/GA Food Tech HCC		

### Caitlin's hair for Little Princess Trust

As you know we have had multiple children chop and donate their hair to the Little Princess Trust raising money for the causes too. Caitlin in Year 6 has been inspired to donate her hair. Please see a link below to her fundraising page should you be able to support this charity with any donation, big or small. Caitlin will be getting her hair cut during half term and it will be quite a different look on her return to school! We all wish her the very best.
