

Nicholas Umfreville

I am Lily-Louise Wilkins' grandfather and Special Guardian, Nick. I am a sixty three year old Chairman of my group of companies. I have been married to Sandra for seventeen years and we have brought up six children between us in Sidbury, all of whom have left home now. I have extremely wide parental experience, both as father of four and step-father of two kids. Now we have moved back to Honiton in July with Lily-Louise I would like to be more involved in her school and its activities. My hobbies are cooking and comedy although my wife disagrees.
