

Live • Love • Learn - Littletown

Friday 10th July 2026

Dear Parents and Carers,

This week has been an exciting but strange one. We have missed the majority of our Year 6 children, but it was amazing to see the children in their new classes yesterday meeting their new teachers. A special mention to the Year 6 children who have been in school this week who have been an incredible help to us across the school.

On Tuesday I was proud to join many Littletown children and parents as well as ex pupils at the planning application meeting for Honiton Town Youth Football Club. It was great to see children representing their views and standing up for campaigns they are passionate about. Also on Tuesday, many of our children represented the school in the heat at Honiton Community College in the Honiton Learning Community Games. Our children behaved and competed really well and came 2nd place overall. My thanks to Mrs Gibson and parents who accompanied the children without whom events like these would not be possible.

Thank you to all of you who attended our open classrooms after school on Wednesday. It is always such a joy to see children sharing their learning and classrooms with parents. I also appreciate the many comments of understanding from parents around the heat in school this Summer as they experienced it for themselves. It was also fantastic to welcome so many new Nursery and Reception parents to our new starters meeting on Wednesday evening. My thanks to the staff for staying late to facilitate these.

Thank you to everyone who has come to visit our book fair this week. You have one last chance to do so after school today and Year 6 are able to visit on Monday after school. My thanks again to Miss Chalmers for organising this for us again this year and to all the staff who helped.

It was amazing to see how happy and excited all the children were yesterday after their class swap times. The teachers all commented how well the children did in their new classes despite the hot conditions.

Next week is yet another busy one! On Monday Year 1 have their trip to Escot, Year 6 have swimming on Tuesday and on Wednesday Year 3 have Roman Day! On Thursday 4ZH have their trip to Seaton Wetlands. On Thursday, we welcome Nursery parents for the last stay and play of the year from 2:30pm. I am aware of the ongoing heat next week and staff have been in contact with the hosts of these trips to ensure comprehensive risk assessments are in place at each location. Should this result in the amendments of any trips or visits we will let you know as soon as possible. I am also aware that there may be a potential decision to make about registration arrangements following a possible England world cup semi final next Wednesday evening. In order to ensure that I cannot be blamed for jinxing anything, I will make and communicate any such decisions on Monday as necessary!

We have a vacancy in the school for September, within our meal time assistant team. Please get in touch with the school office if you would be interested in more information about this role and pass on to anybody you know who might be interested.

Finally, a thank you to all of you who have donated Jolly Jars today for the PTFA Summer Fayre tomorrow. Please note the changed times of the fayre tomorrow due to the hot weather. I am sad to not be able to attend tomorrow due to a long standing prior commitment, but I look forward to hearing all about it. My thanks again to the staff and parents volunteering to help and especially to the PTFA committee for all their hard work in putting it all together.

Yours faithfully

David Perkins

Principal

Children's news

Nursery Nursery have been pirates looking for treasure and they have done class swap day with their new teachers.

Reception They have been learning about under the sea and had class swap day.

Year 1 In Year 1 they have been doing really exciting dodgeball with Mrs Gibson. Also on their class swap day they made birthday cards.

Year 2 They were making slides all about themselves for their new teacher. They also made the star of the week badges.

Year 3 They have been doing bar graphs in Maths and in PE, cricket.

Year 4 In Year 4 they have been learning about how sound travels and in History the Sumarian big question.

Year 5 In Maths we started a new unit. We started bikeability and they came 1st, 2nd and 3rd in a Maths competition at HCC and won a new shield for the school.

Year 6 Have been doing transition week!

Staff news

This week we said goodbye and good luck to Mrs Glinister who is leaving us to take up another opportunity after being with us this year.

Wonderful Writing of the Week

Well done to our wonderful writers of the week this week who are:

Daniel Lynch in Year 1 for his fruit tasting writing.

Amelia in Year 3 for her amazing writing with interesting verbs.

Zora in Year 5 for her brilliant use of relative clauses and adverbs of possibility.

Scholastic Book Fair - EXTENDED FOR 1 DAY!

Thank you to everyone who has supported the Book Fair this week, sales have been fantastic! We are excited to say that we are extending it for 1 more day. This is to ensure that the Year 6's can have the opportunity to visit the fair following on from transition week. We look forward to seeing you on Monday for our final day. Books that have been ordered will be delivered to classes next week.
