Dear Parents and Carers,

Another very busy Summer Term week in very Summery weather this week! I will start by mentioning how proud we all are of our Year 6 children for their transition weeks this week. It was fantastic to visit Honiton Community College on Wednesday and to see them all happy, working hard and looking so grown up! A special mention too to the Year 6 children who have been with us this week helping across the school in a range of ways including sharing guidance and advice to all the children in assembly ahead of class swap yesterday.

A huge well done to all the children for their attitude in forming their new classes yesterday. Mrs Cadby and I had the privilege of spending the day moving around the school seeing all the children in their new classes being supported by staff.

This week has also seen many of our children take part in the Honiton Learning Community Year 3 Roman day on Wednesday and Year 1 have had their outdoor classroom (in the shade) today. We made some adjustments to the running of the school today due to the high temperatures. Children spent a reduced amount of time outside at lunchtime today and OPAL assembly took place in classrooms rather than altogether in the hall this afternoon. As high temperatures continue to be forecast over the next two weeks, we will allow children to come to school in Littletown PE kit if you would like to, even if it is not a PE day for the year group.

Thank you to everyone who attended our Summer Fete on Saturday and making it such a great event. I'm sure you will join me in thanking Sarah and her committee and all the volunteers who ran stalls for all their hard work - especially in making adjustments due to the weather before and during the fete.

Next week, on Monday, 2AL have their outdoor classroom and on Thursday we welcome Nursery parents and carers for a stay and play session at 2:30pm.

Yours faithfully

David Perkins  
Principal
